How grocery shopping goes in Morocco?

If you wonder how grocery shopping goes in Morocco, I advise you to go to Marche Central. In addition to being the main market of Casablanca, which means you will find different categories of products, Marche Central is where you will find all the Moroccan kitchen's needs such as vegetables, fruits, spices, and unlimited types of olives.

What is a good shopping mall in Morocco?

A very nice shopping mall with a variety of brands in different levels... Morocco Mall is a very large and modern shopping centre in Casablanca, Morocco. It has a wide variety of shops and stores, making it the perfect place to spend the day with friends or family.

Is AnfaPlace a good mall in Casablanca?

In the same area of Morocco Mall, about 5km away, AnfaPlace occupies a smaller space than the Mall but what makes it stand out is its open-air area that you would not find in other Malls. As the second largest Mall in Casablanca, AnfaPlace is one of the top list malls that you would not regret visiting!

Is Casablanca a good shopping mall?

Paid a brief visit to this shopping mall in Casablanca facing the Atlantic ocean. It is well located and provides a pleasant environment. However, in summary it is only a large, possibly better than average shopping mall, similar to those that can be found in a number of cities throughout the world.
