What is a 'Baghdad Battery'?

The shocking truth about the mysterious so-called "Baghdad battery" is that it is just an ordinary vessel used to store sacred scrolls. It isn't an "out-of-place artifact" and it certainly isn't a remnant from some lost prehistoric civilization with a level of technology rivalling our own.

Why should you choose wesgar battery storage cabinets?

Rely on Wesgar to produce first-class battery enclosures and take care of your unique needs. Our quality custom lithium-ion battery storage cabinets are skillfully fabricated leveraging our 250+ team of professionals, leading-edge equipment and robotics, and 55+ years of dedication to best practices on our 4-acre plant in British Columbia.

What are external battery racks & cabinet design encasing solutions?

Our External Battery Racks and Cabinet design encasing solutions are a premium brand that offer industry-standard features in custom design measurements at competitive pricing. They can accommodate various combinations of Batteries, up to maximum number of strings for complete battery ranges.

Where can I buy battery charging cabinets?

Get your battery charging cabinets from the leading fabricator in the Pacific Northwest and Western Canada. Depend on Wesgar to eliminate supply chain delays and deliver quality cabinets--from small to extra-large. Our cabinets are safe, weather and fire-resistant, and designed for indoor and outdoor use.
