What is customs clearance?

Customs clearance is a critical part of shipping freight internationally. This guide will discuss the different types of customs entries, how taxes and duties are calculated and walk through the customs clearance process step-by-step. What is Customs? Why Do I Need a Customs Broker? What is the Customs Clearance Process? What are Incoterms?

Who is responsible for customs clearance?

Payment and Clearance - The importer is responsible for paying the duties, taxes, and fees. Once payment is made, customs authorities issue a customs clearance certificate or release order, and goods can proceed to their final destination.

What does "clearing customs" mean?

When importing or exporting goods, "clearing customs" is the process of officially passing through the Customs authority of a country. Shipments arriving in a foreign country must "clear customs" to comply with the regulations and requirements of that country.

What is a customs entry?

A customs entry is the formal documentation submitted to Customs authorities when goods are imported or exported. It contains detailed information about the nature, quantity, value, origin and intended use of the goods.
