The project also includes a battery energy storage system (BESS), according to the environmental impact assessment report prepared in February and updated in June. It would ...

From the Adriatic coast to continental Croatia, advanced outdoor energy storage cabinets are enabling reliable renewable energy adoption. As technology evolves, these systems will play a ...

Imagine Croatia's stunning Adriatic coastline suddenly dark because of power fluctuations - that's the reality container energy storage box BESS systems aim to prevent.

Croatia's Ministry of Environmental Protection and Green Transition has initiated the process to determine if a full environmental impact study is necessary for the proposed 99 MW ...

Croatia's economic ministry on Wednesday said an initial 10 MW phase of the Sibenik BESS is at an advanced stage and the EUR60 million site will be fully operational next ...

The European Bank for Reconstruction and Development (EBRD) is providing a direct equity investment of up to EUR16.8 million in ...

BESSs, or Battery Energy Storage Systems, are often housed in shipping container-type portable units, which offer mobility, modularity, and weather-resistant properties.

The European Bank for Reconstruction and Development (EBRD) is providing a direct equity investment of up to EUR16.8 million in IE-Energy Projekt, a newly established ...

BUHLE POWER specializes in energy storage systems, storage containers, battery cabinets, photovoltaic
