-----  
How many emergency numbers are there in Paris?

In France, there are eleven emergency numbers available depending on the specific situation, but there are five primary numbers you should know as you prepare to travel to Paris. And unlike the United States, dialing 9-1-1 is not an option. Does 9-1-1 Work in Paris? 1.

Which emergency services should I call in Paris?

Note that, often, it is hard to determine whether to call Parisian medical services (1-5 SAMU), the fire department (1-8 Sapeurs - Pompiers), or the Universal Emergency number (1-1-2 General Emergencies). However, these emergency services generally work together and can coordinate services and next steps.

What are the emergency numbers in France?

Emergency Numbers in France. European general emergency number (40 languages spoken including English) - 112. National centre for emergency calls for deaf and people with hearing problems - 122. Fire brigade - 18. SAMU/ medical urgency - 15. Emergency doctor (SOS M&#233;decins) - 0820.33.24.24.

What to do if you have an emergency in France?

In a case of an emergency in France, here are the main telephone numbers to use if you live, or you are holidaying there, even from your mobile/cell phone. First make sure that it is safe to call, if unsure if it's a medical emergency, and depending on condition perhaps check with a local pharmacie /chemist.
