The Amount of Electricity Your Home Uses
 The Type of Solar Panels You Buy
 The Quality of Your Solar Installation
 Federal, State, and Local Solar Incentives
 The price of solar panels can vary depending on the type of solar panels you choose. There are two main types of solar panels for residential solar installations: monocrystalline and polycrystalline. Monocrystalline solar panels are more efficient and the most common type today. Polycrystalline panels have a lower efficiency rating and a slightly lo...
