Where is the Monrovia train station located?

The Monrovia train station is located northwest of the intersection of Duarte Road and Myrtle Avenue, just west of the historic Santa Fe rail depot, and is an at-grade platform station with access from the east. The station's parking facility has 350 spaces, as well as bicycle parking and lockers.

Where is Monrovia California?

How Do I... Located 20 miles northeast of Los Angeles and nestled at the base of the San Gabriel Mountains, Monrovia is a world-class place to do business and home to nearly 40,000 active and engaged residents who enjoy a premiere quality of life in a dynamic community that has embraced its historic past to forge a truly vibrant future.

Is there parking at the Monrovia Station?

The Monrovia station has a 350-space parking facility. Although directly adjacent to the historic Santa Fe Depot, parking at the depot is not included. The city of Monrovia intends to redevelop the depot as part of their Station Square Transit Village development.

What is Monrovia known for?

Monrovia is a welcoming destination for all seasons filled with nature, entertainment and culture. It is known for being the location of the Foothill Gold Line from Pasadena to Azusa. The Foothill Gold Line, a six-station extension, broke ground on June 26, 2010 and was completed on September 23, 2015.
